Welcome to our new theatre!

Purchased in March 2025, we've been busy transforming the space of this 125 year old building! Besides a lot of cleaning and clearing, we've: built a six foot extension onto the front of the stage, laid new stage flooring, hung curtains to create wings, hung blackout curtains on all the stained glass windows, hung lights, and placed sound. Our next phase, happening this summer, involves brand new bathrooms, carpeting, and stairs!

Come back in September and see the first show of our new season!
