

**Shprintze/Bielke AUDITION SCENE**  
**Auditioner – Read for Shprintze**

Shprintze

Mama, where should we put these?

Golde

Put them on my head! By the stove, foolish girl. Where is Chava?

Shprintze

She's in the barn, milking. When will Papa be home?

Golde

It's almost Sabbath. All day long riding on top of his wagon like a prince.

Shprintze

Mama, Yente is coming down the road (Pronounced Yen-ta)

Golde

Maybe she's finally found a match for Tzeitel.

Shprintze

Mama, can I go play?

Golde

You have feet? Go!
